ALERT

If there is a reasonable doubt about some decision being in conflict with the rules, the head coach has the right to an appeal of the umpires decision and seek its reversal. To ask a question about a call on the field, the head coach may only meet the calling umpire at the midpoint of their respective foul line. To ask a question about a call at the plate or when making a lineup change, the head coach may not enter the dirt circle around home plate.

REGULATIONS FOR CONDITIONING WEEK FOR SOFTBALL PITCHERS (Starting March 11)

1. The conditioning program is limited to six (6) pitchers and four (4) catchers in grades 9 through 12. This limits the number of participants to ten (10) per school with no substitutions for absentees or dropouts allowed. Winter sport athletes still in season are ineligible to take part in this program.
2. Softball conditioning for pitchers (6) and catchers (4) may be conducted for no more than five (5) days per athlete (Saturday through Friday) the week prior to the first date for softball practice as designated by the CIAC.
3. Only one session per day is permitted – the maximum length of the session is one hour and 30 minutes (1½ hours).
4. The program can be conducted indoors or out depending on the weather.
5. Balls, gloves and catcher's protective equipment are the only equipment permitted. (Bats, batting tees, fungos, batting cages, pitching machines, etc., are strictly prohibited.)
6. The program may consist only of warm-ups, stretching, calisthenics, weight training, running, other conditioning exercises and throwing. Throwing is permitted only because it is an important aspect of conditioning the arm.
7. A coach must be present at all conditioning sessions.

NOTE: It is a violation of CIAC rules to allow work on fielding, covering bases, pick-offs or any other related fundamentals, and therefore, these types of drills are strictly prohibited. Also it should not be used as a tryout, and team cuts are not permitted.

Safety Precautions – Catchers should wear full equipment. Do not use anyone to assume a batters position while pitchers are throwing, since although pitching control may be an outcome of the program, it is not a program objective.

Member schools found in violation of the above rules will be subject to disciplinary review by the CIAC Softball Committee and possible action by the CIAC Board of Control.

Conditioning Questions and Answers

1. Now that I have seven (7) days to get five (5) days of conditioning in for my pitchers can I bring in six (6) varsity pitchers on four days and six (6) JV/Freshman pitchers for three days?

No, you cannot substitute players and can ONLY bring in 6 total pitchers from your roster.

2. Do I have to bring in all 6 pitchers and 4 catchers during the five days I select for conditioning?

No, a coach can utilize all 7 days and you are allowed to split the group as long as no one player is there for more than a total of 5 sessions on 5 different days.

3. Can I hold two sessions on one day and split my 6 pitchers and 4 catchers in order to work in smaller groups?

No, more than one (1) session per day is NOT permissible.

Scrimmages – Teams must have a minimum of three (3) days of practice prior to scheduling a full team scrimmage. All sports teams and individual athletes must have a minimum of ten (10) physical/exertional practice days with their school before the date of the first scheduled competition. No team/athlete shall practice/compete with their school more than six (6) consecutive days to provide a day of rest. Saturdays, Sundays, and holidays may be used unless prohibited by local board policy. Sunday practices may be counted to fulfill the 10 day requirement.

CIAC Tournament Site Media Policy – The CIAC places tremendous value on the role the media plays in promoting and highlighting high school sports. To that purpose CIAC tournament venues and hosts should make every effort to provide a working environment conducive to all media (print, broadcast and internet based) covering our events. The following are **minimum standards**, developed in consultation with the CIAC Media Advisory Committee, which should be provided for working media at all CIAC tournament sites:

1. A minimum of one hour following the conclusion of post-game interviews to write in the press box, press area or a suitable facility in close proximity to the site of the event (i.e. office, classroom, etc.).
2. Access to electric power (shared power strip, etc.).
3. Access to wireless internet service.
4. **NO CAMERAS OR MEDIA PERSONNEL ARE PERMITTED ON THE FIELD AND AREAS THAT ARE PLAYABLE DURING CIAC TOURNAMENT GAMES.**

Site directors should communicate these requirements to any staff person who may be responsible for the administration of the event. If for some reason a site will not be able to provide these items for a contest, a site representative should inform the CIAC in advance and work with the media on site before the game and work to provide a reasonable solution to the issue. Members of the media who will be covering events are directed to contact the appropriate site as far in advance as possible to inform them they will be at the event and discuss what arrangements will be made for working media at the site.

Students with Special Needs – Coaches are reminded to inform contest officials prior to each competition of any student with special needs who could be competing in the contest when his/her disability could impact the individual's performance or the conduct of the competition.

Reporting Scores – In order to ensure that standings and rankings on both the CIAC's websites and other sites which draw their data from us are timely and accurate, all regular season scores must be entered online on the day of the game as soon as possible following the game's completion.

Scores may be entered via the Online Eligibility Center, the "submit scores/forms" option of the "CIAC for Coaches" menu at ciacsports.com, or the "submit scores" button in our ciacmobile.com mobile site. Entering scores at ciacsports.com or ciacmobile.com requires either a coaches or scorekeeper's access code, those codes are managed via the Online Eligibility Center and can be retrieved from a school's athletic director.

Special Requests for changes in dates, sites, or game times will not be honored except for proms, graduations or extreme school-based activities.

Visiting teams should be notified if a facility prohibits metal spikes.

Unmanned Aerial Systems at CIAC-Sanctioned Events – The use of unmanned aerial systems, often referred to as drones, is prohibited for any purpose by any person(s) at all CIAC-sanctioned events. This policy includes not only the restricted playing area of the venue(s), but also the physical confines of the entire stadium / field / arena structure. For the purpose of this policy, an unmanned aerial system is any aircraft without a human pilot on board.

- 10.2 When a member school's coach is ejected from a game for an infraction as prescribed by the rules, the game may not continue until the member school replaces the ejected coach with a certified coach. Many towns or fields which we use have local ordinances prohibiting use of tobacco products or possession of alcoholic beverages. The principal or his/her designee at the game shall see that this rule is enforced and adhered to by the teams.
- 10.5 **Sportsmanship** – Member schools are expected to conduct their relations with each other at all levels of competition in a spirit of good sportsmanship. Everyone involved has the obligation to see clearly his/her influence and act accordingly. The CIAC acknowledges that the school administration is responsible for the athletic program, including the making of broad and specific policies and procedures relating to sportsmanship and the conduct of activities in the school. To that end, the CIAC urges each school principal to adopt the following sportsmanship procedures and standards for their school and to champion the “Class Act” sportsmanship program as these standards will be used in all CIAC post-season contests.

CIAC Sportsmanship Guidelines

- The CIAC request that all school personnel – administrators, faculty, and coaches – give special and specific emphasis about CIAC's expectations for good sportsmanship during the regular season as well as CIAC tournaments requiring that athletes and members of the student body conduct themselves in a manner that reflects nothing but credit upon your school. Any unsportsmanlike conduct on the part of students and adults is unacceptable and will be addressed with strong and appropriate measures.

- The CIAC sportsmanship standards should be as widely disseminated as possible using the student-parent handbook, student-athlete handbook, school newspaper, parent newsletter, school web site and the local media.
- The CIAC sportsmanship standards for spectators should be read by PA announcers prior to each contest.
- The CIAC sportsmanship standards of conduct be prominently posted at all sports venues.
- When event programs are provided, the CIAC sportsmanship standards be included.
- Member schools require having athletes, parents/guardians, sign an acknowledgement which would show that they have read the student-athlete handbook and understand the CIAC sportsmanship standards.
- Member schools work with community officials to insure that levels of the CIAC sportsmanship standards are enforced when contests are held at their school and at non-school facilities.
- The CIAC and the CIAC sports committees insist the CIAC sportsmanship standards be rigorously enforced at all regular season contests and at all CIAC tournament contests. This is particularly important when contests are held at non-school sites.
- Member schools will conduct a pre-season meeting with student-athletes, coaches and parents to review the CIAC sportsmanship standards.
- Member schools should communicate with opposing schools and inform them they are a “Class Act School” and provide them with the CIAC sportsmanship standards which will be strictly adhered to.
- Member schools hosting a game should make available to visiting schools necessary game information – includes directions for parking, location of ticket booths, seating arrangement, ticket prices, game time, directions for each game site.
- Member schools hosting a game should designate specific seating areas for students, bands, adults and visitors. If possible, opposing student bodies should be separated.
- Member schools hosting a game should arrange for adequate police supervision.
- When possible the member schools hosting a game should assign officials to dressing facilities separated from both teams. Provides escorts for the officials when it appears that disturbances may develop.
- Member schools should take measures to prevent fans from getting near or on the playing area and around the players benches. After the contest, prevents fans from going onto the playing area.
- Member schools should provide for adequate supervision of students and facilities. Supervisors should sit in the stands with the students.
- **Member schools should support and adhere to ALL the following CIAC standards.**

10.6 Bench and Field Conduct

Personnel – Only school representatives, coaches, players on the tournament roster (maximum 18), statisticians, managers and trainers will be allowed in the dugout or bench area.

Conduct – The above identified personnel shall not be outside the vicinity of the designated dugout (bench) or bull pen area if not a batter, runner, on-deck batter, in the coach' box or one of the nine players on defense.

If there is a reasonable doubt about some decision being in conflict with the rules, the head coach has the right to an appeal of the umpires decision and seek its reversal. To ask a question about a call on the field, the head coach may only meet the calling umpire at the midpoint of their respective foul line. To ask a question about a call at the plate or when making a lineup change, the head coach may not enter the dirt circle around home plate.

Violations will be subject to the penalties cited in National Federation Rule 3-3-1 and 3-3-2.

10.7 Through the quarter-finals the home team is responsible for providing a certified athletic trainer. For the semi-finals and finals, each team is responsible for providing their own trainer. Schools should coordinate athletic trainer coverage with their opponent and the tournament director.

11.0 TIME OF GAMES

- 11.1 **Whenever possible, all first round, second round and quarter-final games will start at 4:00 p.m., except by mutual agreement. All changes in game start times must be approved by the tournament director and no game should be started earlier than the announced time unless there is threatening weather.** If a team's arrival is delayed due to transportation problems the site director should be called and the team will be given a minimum of 30 minutes for warm-up. If rain causes a postponement, games will be played on the next day. The site director will have the authority to postpone games in the event of inclement weather, and in the case of a **postponed game he/she will immediately notify the tournament director.**

12.0 TOURNAMENT RULES / PROCEDURES

- 12.1 The official National Federation Fast Pitch Rules will prevail for the tournament with the following clarifications or state options.
- 12.2 **Double Base** – If there is a double base, the white (inside) base will be used exclusively. No double base may be used for semi-final or final games.

The home team will take infield practice for 10 minutes starting 30 minutes prior to game time. The visiting team will take infield practice for 10 minutes starting 20 minutes before game time. No team will be allowed to take batting practice on the infield prior to any tournament game.
- It is the coaches responsibility to verify players are legally equipped including all bats and helmets used in the game.**
- 12.10 The home team scorer will be considered the official scorer through the quarter-finals. The site facility at semi-finals and finals will provide the official scorer.
